Fall Arrest Harness POWERTEX HW Light

Product information

Rear / dorsal D-ring

The Powertex Light harness is our most straightforward harness. It's lightweight, modern, comfortable, and well-designed. It comes with high-quality buckles for quick and safe use. The webbing is water and dirt-repellent and prevents bacterial growth.

- Approved for 140 kg use
- Innovative webbing provides 14 times reduction in bacterial growth when compared with standard webbing
- The lightweight harness comes standard with fall indicators integrated into the webbing
- It has adjustable rectangular reeve buckles at the chest and legs.
- It has adjustable slide buckles to adjust the shoulder straps.
- RFID equipped (HF 13,56 MHz chip) for easy service, inspection, and asset control.

Hand washing: Allowed up to +40°C with mild detergent. ... *Read more*
